Examples of our Past Performance

PrimCorp provides a wide range of professional acquisition and contract support CBP, Office of Acquisition in the areas of pre-award acquisition planning, source selection, and contract administration and management (ranging from the preparation of statements of work, acquisition documentation, source selection support, and contracts to the management of multiple acquisition instruments of varying complexity).

PrimCorp supports the CBP, Facilities Management & Engineering, Border Patrol Air & Marine Program Management Office by providing comprehensive (cradle-to-grave) acquisition and program management support; including processing procurement actions, providing source selection support, developing acquisition packages, assisting with acquisition documentation, and performing contract administration on complex contracts.

PrimCorp provided acquisition and program management support for the Centralized Utility Program within CBP, Energy and Environmental Management Division, including developing acquisition packages, assisting with acquisition/contract documentation, and performing contract administration for over 1800 utility accounts within CBP.

PrimCorp supports the USTDA, India Global Procurement Initiative Procurement Assistance Program by providing acquisition subject matter expertise and facilitation support. This included identifying and securing speakers, developing and presenting a 2-hour training in best value procurements, facilitating a 3-day training session, arranging the itinerary for the delegation while in country, and developing a lesson learned report.

PrimCorp supported the VA Acquisition Academy by providing skilled and experienced Instructors who possessed subject matter expertise in Acquisition and Contracting Services to teach Contracting Officer Representative courses. The Instructors planned, delivered and reinforced acquisition and contracting training to students, and ensured that all Agency training and learning initiatives were accomplished within each assigned class.

PrimCorp supported the USCG, Office of Contract Operations by providing contract closeout support for over 500 contracts, including coordinating all closeout actions, providing comprehensive reporting and analysis, deobligating/recovering unused funds, developing/maintaining a tracking system, and providing centralized filing support.
